

Boy Scout Troop 189

Keystone Area Council

Allie

2021

Mr. Harper and Jere Zimmerman announced that Jere will be becoming the new Charter Organization Representative to the Troop starting in January. Mr. Harper will remain a member of the Troop Committee. Jere Zimmerman is a member of Allison and will serve as the liaison between our two organizations.

Mr. LeBlanc gave an update on information regarding Northern Tier. The Troop needs to send in a \$400 commitment by Oct. 1. The Projected Cost of the trip will be \$1000. Per scout. There are two car shows before the trip so scouts will have an opportunity to raise funds to offset the cost. The dates are Aug. 12, 2000 - Aug. 21, 2000.

A discussion was held regarding use of the proceeds from the Pop Corn sale. A consensus for the use could not be agreed upon. The scouts will earn points by patrol which will be used during the winter camp program.

Gregory Brickner presented a \$100.00 check that was received from Rep. John A. Maher. Rep. Maher is an Eagle Scout of Boy Scout Troop 189. A thank you letter has been sent to him.

Mr. Harper announced that Allison approved the formation of a Venture Unit, to be sponsored by Allison. Venture is a new coed program introduced a year ago similar to Explorer, except it has a center of interest around high adventure. This program will provide another level of scouting for our older scouts to move into if they are interested, just as scouts move from Cub Scouts to Boy Scouts.

Dr. Martinez-Vidal, as the Committee Membership chairman is working on the rechartering process.

more time to conduct business. It was agreed to do so.

The meeting was adjourned at 7:40 p.m. The next Committee Meeting will be held on October 23, 1999 at 7:30 p.m.

Committee Secretary,
Gregory Brickner
